

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

MONSTER ENERGY COMPANY,

Plaintiff,

v.

THE PARTNERSHIPS and
UNINCORPORATED ASSOCIATIONS
IDENTIFIED ON SCHEDULE “A”,

Defendants.

Case No. 21-cv-05982

COMPLAINT

Plaintiff Monster Energy Company (“MEC” or “Plaintiff”) hereby brings the present action against the Partnerships and Unincorporated Associations identified on attached Schedule A (collectively, “Defendants”) and alleges as follows:

I. JURISDICTION AND VENUE

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051, *et seq.*, the Copyright Act 17 U.S.C. § 501, *et seq.*, 28 U.S.C. § 1338(a)–(b) and 28 U.S.C. § 1331.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly targets business activities toward consumers in the United States, including Illinois, through at least the fully interactive, e-commerce stores¹ operating under the seller aliases identified in Schedule A attached hereto (the “Seller Aliases”). Specifically, Defendants have targeted sales to

¹ The e-commerce store urls are listed on Schedule A hereto under the Online Marketplaces.

Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more Seller Aliases, offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, have sold products using infringing and counterfeit versions of MEC's federally registered trademarks and/or unauthorized copies of MEC's federally registered copyrighted design (collectively, the "Unauthorized Monster Energy Products") to residents of Illinois. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused MEC substantial injury in the State of Illinois.

II. INTRODUCTION

3. This action has been filed by MEC to combat e-commerce store operators who trade upon MEC's reputation and goodwill by selling and/or offering for sale Unauthorized Monster Energy Products. Defendants create e-commerce stores operating under one or more Seller Aliases that are advertising, offering for sale and selling Unauthorized Monster Energy Products to unknowing consumers. E-commerce stores operating under the Seller Aliases share unique identifiers, establishing a logical relationship between them and that Defendants' counterfeiting operation arises out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid and mitigate liability by operating under one or more Seller Aliases to conceal both their identities and the full scope and interworking of their operation. MEC is forced to file this action to combat Defendants' counterfeiting of MEC's registered trademarks and infringement of MEC's registered copyrighted designs, as well as to protect unknowing consumers from purchasing Unauthorized Monster Energy Products over the Internet. MEC has been and continues to be irreparably damaged through consumer confusion, dilution, and tarnishment of its

valuable trademarks and infringement of its copyrighted designs as a result of Defendants' actions and seeks injunctive and monetary relief.

III. THE PARTIES

Plaintiff

4. Plaintiff MEC is a corporation organized and existing under the laws of the State of Delaware, having a principal place of business at 1 Monster Way, Corona, California 92879.

5. MEC is a nationwide leader in the business of developing, marketing, and selling beverages, including energy drinks. In 2002, long before Defendants' acts described herein, MEC launched its MONSTER ENERGY® brand of drinks bearing its now famous MONSTER ENERGY mark,  mark ("Claw Icon Mark"), and copyrighted  design (the "Monster Energy Copyrighted Design"). A true and correct representation of MEC's original MONSTER ENERGY® drink is shown below:

6. MEC's successful line of MONSTER™ drinks has now grown to include numerous other well-known products, including, but not limited to, original MONSTER ENERGY; MONSTER ASSAULT; MONSTER JUICE KHAOS; MONSTER JUICED RIPPER formerly MONSTER RIPPER; PUNCH MONSTER PIPELINE PUNCH; PUNCH MONSTER BALLER'S

7. Shown below are true and accurate representative pictures illustrating some of MEC’s MONSTER™ line of drinks and the packaging for certain products in that line.

8. In addition to its MONSTER™ line of energy drinks, long before Defendants’ acts described herein, MEC has used, and continues to use, its Claw Icon Mark, MONSTER™ mark, MONSTER ENERGY® mark, and the Monster Energy Copyrighted Design in connection with a large variety of other products, including, but not limited to, stickers, clothing items, helmets, headgear, sports gear, and sports bags that bear Claw Icon Mark, MONSTER™ mark, MONSTER ENERGY® mark, and/or the Monster Energy Copyrighted Design (collectively, the “Monster Energy Products”). Examples of authorized helmets, apparel and accessories bearing MEC’s Claw Icon Mark, MONSTER™ mark, MONSTER ENERGY® mark, and/or the Monster Energy Copyrighted Design are shown below.

9. Since the initial launch of its original MONSTER ENERGY® drink in 2002, MEC's Claw Icon Mark, MONSTER™ mark, MONSTER ENERGY® mark, and the Monster Energy Copyrighted Design are and have been the subject of substantial and continuous marketing and promotion by MEC in connection with its MONSTER™ line of drinks and MONSTER™ apparel and accessories. MEC has and continues to widely market and promote its Claw Icon Mark, MONSTER™ mark, MONSTER ENERGY® mark, and the Monster Energy Copyrighted Design. MEC's promotional efforts include — by way of example but not limitation — the Monster Energy website and social media sites, point of sale materials, sponsorship of athletes and athletic teams, sponsorship of athletic competitions, sponsorship of musicians, sponsorship of live and televised events, sweepstakes, music concerts, attendance at trade shows, product sampling, and apparel and merchandise.

10. Since the Claw Icon Mark and MONSTER ENERGY mark (collectively, the “MONSTER ENERGY Trademarks”) are the MEC trademarks most commonly counterfeited and infringed by Defendants, MEC focuses its allegations on the MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design.

11. MEC sponsors over 200 athletes and numerous athletic events in connection with its branded drinks, apparel, and accessories bearing one or both of the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted Design. For example, MEC sponsors or has sponsored sporting events such as the Monster Energy NASCAR Cup Series, X Games, the UFC, the MONSTER ENERGY® AMA Supercross Series, Road Racing World Championship Grand Prix (“MotoGP”) races, MX 1 and MX2 FIM Motocross World Championships, the Motocross of Nations, the MX3 FIM Motocross World Championships, the Motocross of Nations, the MX3 FIM Motocross World Championship, the FIM MX Junior World Championship, and the UEM

EMX2 European Motocross Championship. At MEC-sponsored events, the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted Design are prominently promoted at the tracks, on banners, and on large transport, support, and hospitality tractor trailers, motor homes and other promotional vehicles.

12. In addition to the sporting events above, MEC also sponsors or has sponsored athletes and athletic teams who compete in a wide variety of sports, including NASCAR, Formula 1, motocross, MotoGP, AMA Superbike, Supercross, World Superbike, snowmobile, off-road racing, off-road truck and thoroughbred horse racing, Ultimate Fighting Championship (“UFC”) events, surfing, skateboarding, wakeboarding, skiing, snowboarding, BMX, and mountain biking. Many of the events that the MEC-sponsored athletes and athletic teams compete in are broadcast nationally on television, and all of the MEC-sponsored athletes and teams wear clothing or gear or use equipment that prominently displays one or both of the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted Design.

13. MEC’s MONSTERTM family of products has achieved substantial commercial success. Worldwide retail sales of the MONSTERTM line of energy drinks now exceed 3 billion cans per year with estimated retail sales exceeding US\$6 billion per year worldwide. MEC has sold more than 22 billion cans of energy drinks worldwide, all of which bear the Claw Icon Mark, MONSTERTM Mark, the Monster Energy Copyrighted Design, and/or the MONSTER ENERGY[®] Mark. MEC’s MONSTER ENERGY[®] brand has established itself as the best-selling energy drink brand in the U.S by unit volume. As a result of MEC’s substantial use and promotion of the MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design in connection with its MONSTERTM family of products, MEC’s MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design have acquired great value as specific identifiers of MEC’s

products, are widely recognized by the general consuming public as a designation of the source of goods or services of MEC, and serve to identify and distinguish MEC's products from those of others. Customers in this judicial district and elsewhere readily recognize MEC's MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design as distinctive designations of the origin of MEC's drinks, accessories, clothing products, sports bags and backpacks, sports gear and other products and promotional items. MEC's MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design are intellectual property assets of enormous value as symbols of MEC and its quality products, reputation, and goodwill.

14. MEC is the owner of numerous trademark registrations for the MONSTER ENERGY Trademarks, including, but not limited to, the following U.S. Trademark Registrations:

15. The above U.S. registrations for the MONSTER ENERGY Trademarks are valid, subsisting, and in full force and effect. True and correct copies of the federal trademark registration certificates for the above MONSTER ENERGY Trademarks are attached hereto as **Exhibit 1**. Pursuant to 15 U.S.C. § 1065, U.S. Trademark Registration Nos. 2,903,214; 3,057,061; 3,134,841; 3,908,600; 3,963,669; 3,963,668; 3,914,828; and 3,908,601 are incontestable.

16. The MONSTER ENERGY Trademarks are distinctive and identify the merchandise as goods from MEC. The registrations for the MONSTER ENERGY Trademarks constitute *prima facie* evidence of their validity and of MEC's exclusive right to use the MONSTER ENERGY Trademarks pursuant to 15 U.S.C. § 1057 (b).

17. The MONSTER ENERGY Trademarks qualify as famous marks, as that term is used in 15 U.S.C. §1125 (c)(1), and have been continuously used and never abandoned.

18. In addition to its use on its energy drinks, MEC has continuously used the MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design on and in connection with the creation and distribution of Monster Energy Products. These items have been worn or used by numerous high profile athletes and entertainers sponsored by MEC. MEC has also licensed the MONSTER ENERGY Trademarks and the Monster Energy Copyrighted Design to third parties for use on stickers, clothing items, automotive parts, protective gear and sports bags. MEC tightly controls its limited number of licensees and the quantities of goods they produce along with the look, feel, manufacturing and distribution of these goods. MEC has promoted its MONSTER™ drinks and Monster Energy Products in interstate and intrastate commerce, including commerce in the State of Illinois, and in this Judicial District.

19. MEC has expended substantial time, money, and other resources in developing, advertising, and otherwise promoting the MONSTER ENERGY Trademarks. As a result, products bearing the MONSTER ENERGY Trademarks are widely recognized and exclusively associated by consumers, the public, and the trade as being products sourced from MEC.

20. Because of MEC's advertising and promotional efforts and its continuous use of the MONSTER ENERGY Trademarks for more than a decade, MEC is among the most recognized energy drink brands in the United States, and the MONSTER ENERGY Trademarks have become

famous.

21. MEC has registered its Monster Energy Copyrighted Design with the United States Copyright Office. The registrations include, but are not limited to, “Stylized claw with jagged edges (original version)”  (U.S. Copyright Registration No. VA 1-789-900), issued by the Register of Copyrights on October 11, 2011, and the corresponding supplemental registration changing ownership name from Hansen Beverages Company to Monster Energy Company: VA 1-433-242. A true and correct copy of the U.S. federal copyright registration certificate for the above-referenced Monster Energy Copyrighted Design is attached hereto as **Exhibit 2**.

22. Among the exclusive rights granted to MEC under the U.S. Copyright Act are the exclusive rights to reproduce, prepare derivative works of, distribute copies of, and display the Monster Energy Copyrighted Design to the public.

The Defendants

23. Defendants are individuals and business entities of unknown makeup who own and/or operate one or more of the e-commerce stores under at least the Seller Aliases identified on Schedule A and/or other seller aliases not yet known to MEC. On information and belief, Defendants reside and/or operate in the People’s Republic of China or other foreign jurisdictions with lax trademark enforcement systems or redistribute products from the same or similar sources in those locations. Defendants have the capacity to be sued pursuant to Federal Rule of Civil Procedure 17(b).

24. On information and belief, Defendants, either individually or jointly, operate one or more e-commerce stores under the Seller Aliases listed in Schedule A attached hereto. Tactics used by Defendants to conceal their identities and the full scope of their operation make it virtually impossible for MEC to discover Defendants’ true identities and the exact interworking of their

network. If Defendants provide additional credible information regarding their identities, MEC will take appropriate steps to amend the Complaint.

IV. DEFENDANTS' UNLAWFUL CONDUCT

25. The success of the Monster Energy brand has resulted in its significant counterfeiting. Consequently, MEC has a worldwide brand protection program and regularly investigates and/or has its agents investigate suspicious e-commerce stores identified in proactive Internet sweeps and reported by consumers. MEC has identified numerous fully interactive e-commerce stores including those operating under the Seller Aliases, which were offering for sale and/or selling Unauthorized Monster Energy Products to consumers in this Judicial District and throughout the United States. E-commerce sales, including through e-commerce stores like those of Defendants, have resulted in a sharp increase in the shipment of unauthorized products into the United States. **Exhibit 3**, Excerpts from Fiscal Year 2018 U.S. Customs and Border Protection (“CBP”) Intellectual Property Seizure Statistics Report. Over 90% of all CBP intellectual property seizures were smaller international mail and express shipments (as opposed to large shipping containers). *Id.* Over 85% of CBP seizures originated from mainland China and Hong Kong. *Id.* Counterfeit and pirated products account for billions in economic losses, resulting in tens of thousands of lost jobs for legitimate businesses and broader economic losses, including lost tax revenue.

26. Third party service providers like those used by Defendants do not adequately subject new sellers to verification and confirmation of their identities, allowing counterfeiters to “routinely use false or inaccurate names and addresses when registering with these e-commerce platforms.” **Exhibit 4**, Daniel C.K. Chow, *Alibaba, Amazon, and Counterfeiting in the Age of the Internet*, 40 NW. J. INT’L L. & BUS. 157, 186 (2020); see also, report on “Combating Trafficking

in Counterfeit and Pirated Goods” prepared by the U.S. Department of Homeland Security’s Office of Strategy, Policy, and Plans (Jan. 24, 2020), attached as **Exhibit 5** and finding that on “at least some e-commerce platforms, little identifying information is necessary for a counterfeiter to begin selling” and recommending that “[s]ignificantly enhanced vetting of third-party sellers” is necessary. Counterfeiters hedge against the risk of being caught and having their websites taken down from an e-commerce platform by preemptively establishing multiple virtual storefronts. **Exhibit 5** at p. 22. Since platforms generally do not require a seller on a third-party marketplace to identify the underlying business entity, counterfeiters can have many different profiles that can appear unrelated even though they are commonly owned and operated. **Exhibit 5** at p. 39. Further, “E-commerce platforms create bureaucratic or technical hurdles in helping brand owners to locate or identify sources of counterfeits and counterfeiters.” **Exhibit 4** at 186-187.

27. Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more Seller Aliases, offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, have sold Unauthorized Monster Energy Products to residents of Illinois.

28. Defendants concurrently employ and benefit from substantially similar advertising and marketing strategies. For example, Defendants facilitate sales by designing the e-commerce stores operating under the Seller Aliases so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers. E-commerce stores operating under the Seller Aliases look sophisticated and accept payment in U.S. dollars via credit cards, Alipay, Amazon Pay, and/or PayPal. E-commerce stores operating under the Seller Aliases often include content and images that make it very difficult for consumers to distinguish such stores from an authorized retailer. MEC has not licensed or authorized Defendants to use its MONSTER

ENERGY Trademarks or copy or distribute the Monster Energy Copyrighted Design, and none of the Defendants are authorized retailers of genuine Monster Energy Products.

29. Many Defendants also deceive unknowing consumers by using the MONSTER ENERGY Trademarks without authorization within the content, text, and/or meta tags of their e-commerce stores to attract various search engines crawling the Internet looking for websites relevant to consumer searches for Monster Energy Products. Other e-commerce stores operating under the Seller Aliases omit using the MONSTER ENERGY Trademarks in the item title to evade enforcement efforts while using strategic item titles and descriptions that will trigger their listings when consumers are searching for Monster Energy Products.

30. E-commerce store operators like Defendants commonly engage in fraudulent conduct when registering the Seller Aliases by providing false, misleading and/or incomplete information to e-commerce platforms to prevent discovery of their true identities and the scope of their e-commerce operation.

31. E-commerce store operators like Defendants regularly register or acquire new seller aliases for the purpose of offering for sale and selling Unauthorized Monster Energy Products. Such seller alias registration patterns are one of many common tactics used by e-commerce store operators like Defendants to conceal their identities and the full scope and interworking of their counterfeiting operation, and to avoid being shut down.

32. Even though Defendants operate under multiple fictitious aliases, the e-commerce stores operating under the Seller Aliases often share unique identifiers, such as templates with common design elements that intentionally omit any contact information or other information for identifying Defendants or other seller aliases they operate or use. E-commerce stores operating under the Seller Aliases include other notable common features, such as use of the same

registration patterns, accepted payment methods, check-out methods, keywords, advertising tactics, similarities in price and quantities, the same incorrect grammar and misspellings, and/or the use of the same text and images. Additionally, Unauthorized Monster Energy Products for sale by the Seller Aliases bear similar irregularities and indicia of being counterfeit to one another, suggesting that the Unauthorized Monster Energy Products were manufactured by and come from a common source and that Defendants are interrelated.

32. E-commerce store operators like Defendants are in constant communication with each other and regularly participate in QQ.com chat rooms and through websites such as sellerdefense.cn, kaidianyao.com and kuajingvs.com regarding tactics for operating multiple accounts, evading detection, pending litigation, and potential new lawsuits.

33. Counterfeiters such as Defendants typically operate under multiple seller aliases and payment accounts so that they can continue operation in spite of MEC's enforcement. E-commerce store operators like Defendants maintain off-shore bank accounts and regularly move funds from their financial accounts to off-shore accounts outside the jurisdiction of this Court to avoid payment of any monetary judgment awarded to MEC. Indeed, analysis of financial account transaction logs from previous similar cases indicates that off-shore counterfeiters regularly move funds from U.S.-based financial accounts to off-shore accounts outside the jurisdiction of this Court.

34. Defendants are working in active concert to knowingly and willfully manufacture, import, distribute, offer for sale, and sell Unauthorized Monster Energy Products in the same transaction, occurrence, or series of transactions or occurrences. Defendants, without any authorization or license from MEC, have jointly and severally, knowingly and willfully used and continue to use the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted

Design in connection with the advertisement, distribution, offering for sale, and sale of Unauthorized Monster Energy Products into the United States and Illinois over the Internet.

35. Defendants' unauthorized use of the MONSTER ENERGY Trademarks and/or Monster Energy Copyrighted Design in connection with the advertising, distribution, offering for sale, and sale of Unauthorized Monster Energy Products, including the sale of Unauthorized Monster Energy Products into the United States, including Illinois, is likely to cause and has caused confusion, mistake, and deception by and among consumers and is irreparably harming MEC.

COUNT I
TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)

36. MEC hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

37. This is a trademark infringement action against Defendants based on their unauthorized use in commerce of counterfeit imitations of the federally registered MONSTER ENERGY Trademarks in connection with the sale, offering for sale, distribution, and/or advertising of infringing goods. The MONSTER ENERGY Trademarks are highly distinctive marks. Consumers have come to expect the highest quality from Monster Energy Products sold or marketed under the MONSTER ENERGY Trademarks.

38. Defendants have sold, offered to sell, marketed, distributed, and advertised, and are still selling, offering to sell, marketing, distributing, and advertising products using counterfeit reproductions of the MONSTER ENERGY Trademarks without MEC's permission.

39. MEC is the exclusive owner of the MONSTER ENERGY Trademarks. MEC's United States Registrations for the MONSTER ENERGY Trademarks (**Exhibit 1**) are in full force and effect. On information and belief, Defendants have knowledge of MEC's rights in the MONSTER ENERGY Trademarks, and are willfully infringing and intentionally using

counterfeits of the MONSTER ENERGY Trademarks. Defendants' willful, intentional and unauthorized use of the MONSTER ENERGY Trademarks is likely to cause and is causing confusion, mistake, and deception as to the origin and quality of the Unauthorized Monster Energy Products among the general public.

40. Defendants' activities constitute willful trademark infringement and counterfeiting under Section 32 of the Lanham Act, 15 U.S.C. § 1114.

41. MEC has no adequate remedy at law, and if Defendants' actions are not enjoined, MEC will continue to suffer irreparable harm to its reputation and the goodwill of its famous MONSTER ENERGY Trademarks.

42. The injuries and damages sustained by MEC have been directly and proximately caused by Defendants' wrongful reproduction, use, advertisement, promotion, offering to sell, and sale of Unauthorized Monster Energy Products.

COUNT II
FALSE DESIGNATION OF ORIGIN (15 U.S.C. § 1125(a))

43. MEC hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

44. Defendants' promotion, marketing, offering for sale, and sale of Unauthorized Monster Energy Products has created and is creating a likelihood of confusion, mistake, and deception among the general public as to the affiliation, connection, or association with MEC or the origin, sponsorship, or approval of Defendants' Unauthorized Monster Energy Products by MEC.

45. By using the MONSTER ENERGY Trademarks in connection with the Unauthorized Monster Energy Products, Defendants create a false designation of origin and a

misleading representation of fact as to the origin and sponsorship of the Unauthorized Monster Energy Products.

46. Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the Unauthorized Monster Energy Products to the general public involves the use of counterfeit marks and is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

47. MEC has no adequate remedy at law and, if Defendants' actions are not enjoined, MEC will continue to suffer irreparable harm to its reputation and the associated goodwill of its brand.

COUNT III
COPYRIGHT INFRINGEMENT OF UNITED STATES COPYRIGHT REGISTRATION
(17 U.S.C. §§ 106 AND 501)

48. MEC hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

49. MEC is the owner of a valid and enforceable Monster Energy Copyrighted Design, which contains certain copyrightable subject matter under 17 U.S.C. §§ 101, *et seq.*

50. MEC has complied with the registration requirements of 17 U.S.C. § 411(a) for the Monster Energy Copyrighted Design and has obtained Copyright Registration No. VA 1-789-900, and the corresponding supplemental registration changing ownership name from Hansen Beverages Company to Monster Energy Company: VA 1-433-242.

51. Defendants do not have any ownership interest in the Monster Energy Copyrighted Design. Defendants had access to the Monster Energy Copyrighted Design via the internet.

52. Without authorization from MEC, or any right under the law, Defendants have deliberately copied, displayed, distributed, reproduced and/or made derivative works incorporating

the Monster Energy Copyrighted Design on the e-commerce stores operating under the Seller Aliases and the corresponding Unauthorized Monster Energy Products. Defendants' derivative works are virtually identical to and/or are substantially similar to the look and feel of the Monster Energy Copyrighted Design. Such conduct infringes and continues to infringe the Monster Energy Copyrighted Design in violation of 17 U.S.C. § 501(a) and 17 U.S.C. §§ 106(1)–(3), (5).

53. Defendants reap the benefits of the unauthorized copying and distribution of the Monster Energy Copyrighted Design in the form of revenue and other profits that are driven by the sale of Unauthorized Monster Energy Products.

54. Defendants have unlawfully appropriated MEC's protectable expression by taking material of substance and value and creating Unauthorized Monster Energy Products that capture the total concept and feel of the Monster Energy Copyrighted Design.

55. On information and belief, Defendants' infringement has been willful, intentional, and purposeful, and in disregard of and with indifference to, MEC's rights.

56. Defendants, by their actions, have damaged MEC in an amount to be determined at trial.

57. Defendants' conduct is causing, and unless enjoined and restrained by this Court will continue to cause, MEC great and irreparable injury that cannot fully be compensated or measured in money. MEC has no adequate remedy at law. Pursuant to 17 U.S.C. § 502, MEC is entitled to a preliminary and permanent injunction prohibiting further infringement of the Monster Energy Copyrighted Design.

PRAYER FOR RELIEF

WHEREFORE, MEC prays for judgment against Defendants as follows:

- 1) That Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under, or in active concert with them be temporarily, preliminarily, and permanently enjoined and restrained from:
 - a. using the MONSTER ENERGY Trademarks or any reproductions, counterfeit copies, or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine Monster Energy Product or is not authorized by MEC to be sold in connection with the MONSTER ENERGY Trademarks;
 - b. reproducing, distributing copies of, making derivative works of, or publicly displaying the Monster Energy Copyrighted Design in any manner without the express authorization of MEC;
 - c. passing off, inducing, or enabling others to sell or pass off any product as a genuine Monster Energy Product or any other product produced by MEC that is not MEC's or not produced under the authorization, control, or supervision of MEC and approved by MEC for sale under the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted Design;
 - d. committing any acts calculated to cause consumers to believe that Defendants' Unauthorized Monster Energy Products are those sold under the authorization, control, or supervision of MEC, or are sponsored by, approved by, or otherwise connected with MEC;
 - e. further infringing the MONSTER ENERGY Trademarks and/or the Monster Energy Copyrighted Design and damaging MEC's goodwill; and

- f. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for MEC, nor authorized by MEC to be sold or offered for sale, and which bear any of MEC's trademarks, including the MONSTER ENERGY Trademarks, or any reproductions, counterfeit copies, or colorable imitations thereof and/or which bear the Monster Energy Copyrighted Design;
